

UY350, UY450, UY600

FEATURES AND BENEFITS

- Freestanding, high spin
- Stainless steel cabinet
- Stainless steel drum and tub
- PROform – fully programmable microprocessor
- Large door opening for easy loading and unloading (Ø 540 mm)
- Two large drain valves (Ø 76 mm)
- Frequency controlled motor
- Perforated lifting ribs: more mechanical action, lower water consumption
- Ecological washing programmes – significantly reduces water and electricity consumption
- USB and RS485 plug (on the back panel)
- Liquid soaps print
- Soap hopper with 5 removable compartments
- 3rd water inlet, high inlets capacity
- Ergonomic height of door enables easy access with trolleys
- User friendly control position regardless user's height
- BUMPER (front side protection)

OPTIONS

- Liquid soap pumps
- PROform Assist – traceability software and networking system
- Weighing system by cells
- Recycle drain valve
- Isolation for energy and noise reduction
- Extra signalization (orange light + horn)
- Steam heating version
- Air operated water inlets
- Water sample tap
